#### U.S. PATENT DOCUMENTS

| * |   | Document Number<br>Country Code-Number-Kind Code | Date<br>MM-YYYY | Name             | Classification |
|---|---|--|-----------------|------------------|----------------|
| * | A | US-2003/0051901                                  | 03-2003         | Morita et al.    | 174/125.1      |
| * | B | US-6,630,427                                     | 10-2003         | Dunand, David C. | 505/452        |
| * | C | US-2004/0009879                                  | 01-2004         | Giunchi et al.   | 505/230        |
|   | D | US-  |                 |                  |                |
|   | E | US-  |                 |                  |                |
|   | F | US-  |                 |                  |                |
|   | G | US-  |                 |                  |                |
|   | H | US-  |                 |                  |                |
|   | I | US-  |                 |                  |                |
|   | J | US-  |                 |                  |                |
|   | K | US-  |                 |                  |                |
|   | L | US-  |                 |                  |                |
|   | M | US-  |                 |                  |                |

#### FOREIGN PATENT DOCUMENTS

| * |   | Document Number<br>Country Code-Number-Kind Code | Date<br>MM-YYYY | Country | Name        | Classification |
|---|---|--|-----------------|---------|-------------|----------------|
|   | N | JP 2002-324445                                   | 11-2002         | JP      | Nakai et al | H01B 13/00     |
|   | O | JP 2003-086265                                   | 03-2003         | JP      | Miyoshi     | H01R 4/68      |
|   | P | KR 2003-010964                                   | 02-2003         | KR      | Shin        | H01B 012/00    |
|   | Q |  |                 |         |             |                |
|   | R |  |                 |         |             |                |
|   | S |  |                 |         |             |                |
|   | T |  |                 |         |             |                |

#### NON-PATENT DOCUMENTS

| * |   | Include as applicable: Author, Title Date, Publisher, Edition or Volume, Pertinent Pages)   |
|---|---|---|
